Grace, Mercy, and Peace be unto you from God our Father, and Jesus our Lord and Savior.

I greet you with the Joy of Jesus as we enter the fourth month of the year, April. We've heard the phrase; "April showers bring May flowers". This phrase conveys the message of rainwater falling on soil and seed will activate and produce the beautiful flowers of Spring. In the spirit, this same principle applies. God sends the rains in our lives to activate what is in us that we will produce and bloom into the person He has called you to be. The soil of our lives has endured the spiritual winter. Now we spring forth with new opportunities and possibilities.

God will allow showers of blessings to fall on you, and sometimes showers of burdens. In either vein, the showers are to help you, not harm you. Showers fall on a broad area. It doesn't just rain on one house, it covers a wide expanse. Though it does not rain everywhere at the same time, He reigns everywhere at the same time. I encourage each of you to prepare for God's rain. Benefit from the nutrients it provides and soak up spiritual enrichment. Allow your spiritual root to absorb life giving spiritual hydration, that the well of your soul be filled and the soil of the spirit brings forth what's been planted.

This month for us is also special because it is within the 40 days that Jesus walked the Earth among his disciples after the resurrection. This period proves God's resurrection power and the validity of it by the evidence of Jesus presence. Jesus will walk and talk among them, sharing truth that will lay the foundation for His continued work in the Earth. That time within the 40 days post resurrection is a time of great confirmation, commandments, and commissions. Jesus had planted the seed of faith and had given them the responsibility of executing the great commission. Now the water of the Holy Spirit will activate the seed, causing it to grow and produce. Jesus ascended, takes His seat at the right hand of God the father making intercession for us.

So, take this time my brothers and sister to ready yourself for the rain. To soak up all God has for you. Soak up heavenly resources of replenishment. Hydrate the parched and cracked areas of your life, rigid and frugged from the trials and tests you've endured. And allow your faith to be saturated in expectation of what the rains will yield. Noah was informed that it was going to rain and to build an arc. He warned the people for 120 years, but they laughed and mocked him. All on the arc were saved. It rained 40 days and nights without stopping causing a great flood, while there was massive devastation, there was massive growth and replenishment and repopulation.

God showered you with his love and care this season. May His riches overtake you and His blessings bombard you. May the spiritual seeds in you spring forth into new life. Lord, Rain on me, rain on my family and household, rain of my church, rain on my community, rain on my job, Lord please rain on me.

Because of Christ,

*Dr. Quientrell L. Burrell, Jr.*

The Bridge Building Savior!

The bridge is Jesus standing in the gap for my sins. Repentance is a connecting source of God's love for us." Much more than, being now justified by his blood, shall we be saved from the wrath of God through him." Romans 5:9

The Bridge was purchased with the blood of Christ. God has mandated me to go to a dying world preaching this Gospel. "And he saith unto them, Be not amazed: ye seek Jesus, the Nazarene, who hath been crucified: he is risen; he is not here: behold, the place where they laid him!"

Mark 16:6 ASV He got up so we can go up.
