“Bridge Builders”

Message from the Pastor

Dr, Quientrell L. Burrell, Jr.

2024 Church Theme:
Building Bridges—
Building Lives”
Acts 17:23;
I Corinthians 9:16-23

Grace Mercy and peace be unto you from God our father and Jesus are Lord and Savior, “Joy to the world. The Lord is come, let earth receive her king.” God’s goodness and grace have afforded us the privilege to see the 12th month of the year. As we look retrospectively at this year, and the many things that have transpired, we can all attest that if it had not been for the Lord on our side, we certainly do not know where we would be. Many of those who started out this year, are not here today, yet God has kept us. All glory and praise to our God!

Several topics and events this year made national news, one of which included the 2024 presidential election. While many were dissatisfied with the outcome, many were not. Many people were excited in hopes of a greater America. What is required in this hour is not simply a greater America, but a greater faith, a greater commitment to the things of God, a greater determination to persevere, a greater understanding of the Word of God.

This next season is about a greater relationship with God and our fellow Christians. While others are preparing for a great America, I’m asking God to prepare the body of Christ for that Great Day. That day is a day where many will not be able to stand. While a new world leader and commander in chief will take to his new office, I find consolation in the fact that God changes not. He is the same yesterday, today and forevermore. God is our refuge and strength. God is a very present help in the time of trouble.

Last month we celebrated the God of the harvest, and expressed our gratitude for God’s bountiful blessings. This month we celebrate the birth of our Lord and Savior Jesus Christ. In the midst of oppression and persecution, our Savior was born. In the midst of religious superiority and nationalistic terrorism, our Savior was born. Into an unjust, unfair, unequal, and unethical society, with an intention and divine purpose. Jesus rocked the boat and was clear as to why He came, to seek and save the lost. Therefore make time, or take time to share the message of our messiah. Spread the word. God tell it on the mountain, that Jesus Christ is born. Tell it from the roof top, tell it in the valley low, tell that Jesus is born.

Once again, use this time to cherish family, friends, and those who matter greatly to you. Also remember those who are less fortunate than we. We are still praying for our brothers and sisters in the western part of our state. Might, I ask take this opportunity to thank each of you for all you have done in the kingdom to glorify God, and edify the body of Christ. You sacrificed much and labor of love has benefited our congregation and community. Continue to shine the light of Christ everywhere you go. I pray this Christmas season will bless your life, and that all who are connected to you be blessed as well. I’m looking forward to a new year with God as the captain of our ship. We know we will be covered by His mighty grace and protection. I urge you to be steadfast and unmovable, not wavering in your faith, but trusting wholly in Him, the author and finisher of our faith.

I pray the Christmas and any additional holidays you may celebrate this month be a time of great joy and peace. Until next year, may God continue to bless you.

In God’s service,

Pastor Q

Building Bridges—Building Lives
Minister Diane Blount

Building Bridges changing lives may just be the link to the future that they desperately need. Helping others to overcome the smallest obstacle to you, but it may be a mountain to them. Sometimes when you try and fail so many times you just give up and say what's the use. So my hope and prayers are for us to be in the right place at the right time in the community to aid and assist others. The closer we get to Him the clearer our purpose will become to us.

Since I have been a caregiver for my husband I have had so many to reach out in love to extend numerous acts of kindness. From Pastor Burrell and his family, to the Deacons and Deaconess, Trustees members of the Ministerial staff, the Willing Workers and many others, have built bridges by checking on us and we greatly appreciate it.

Paying it forward through acts of kindness and love, prayers and many inspirational messages mean so much more than you will ever know. If it's all God, it's all good.

Hat's off to the Nation.
