

NEW HOPE NEWS

Rev. Dr. Quientrell L. Burrell, Jr., Pastor

Message from the Pastor

Grace, mercy, and peace be onto you from God our Father, and Jesus our Lord and Savior.

Happy New Year! As I often say, “it’s good to be alive!” I am thankful to God; He has allowed us to safely cross into a brand-new year. It is the Lord’s mercy that we are not consumed because His compassions fail not. Not only has he granted us a new year, but He continually grants us new mercy morning by morning. Every time we wake up, we have a reason to thank God for His blessings.

I am excited to see the remarkable things that God will do in 2023 by His power, and His provision. He promised never to leave us alone, so we need not fret. This Bible tells us to take no thought about tomorrow, for tomorrow will take care of itself. We will not worry about the uncharted waters we will sail, or the unfamiliar territory we will trod, because God assures us of his provisions and protection.

Our church theme for 2023 is “The Year of Winning Strategies,” and our thematic scripture is taken from Proverbs 16:3,9. Verse 3 says; “Commit your work to the LORD, and your plans will be established.” Verse 9 states that “The heart of man plans his way, but the LORD establishes His steps.” There are aspects of an envisioned future that we can influence or change by decisions and actions we make today. For the church, it is the realization that through prayer and obedience, you can be a catalyst to help bring about a future that is in alignment with God’s will. Through prayer, we will establish the framework for the plan. Strategy requires continued prayer for directions and obedient action in response to what God reveals. This year will be a strategic year of ministry. Let us get ready to serve this present age with excitement and expectation. We can do more together than we can apart. Where there is unity there is strength.

By way of praise report, our First Mother Brenda Burrell suffered a stroke last month. The prayers of the saints went forth and Mother is on the road to recovery. The effectual fervent prayers of the righteous man availeth much. Thank you for your continuous prayers and support to our family during this time.

May God bless each of you now and always.

“Honor the Lord with your wealth, with the first fruits of all your crops.” —Proverbs 3:9

How to give a first fruits offering

1. Pray: If your goal is obedience to God, it only makes sense that you would first go *to him in prayer*. ...
2. Prepare: God calls us to be good stewards of the blessings he gives us. ...
Prioritize: The whole idea behind a first fruit gift is to put God first.
3. Prioritize: The whole idea behind a first fruit gift is to put God first.

Difference Between First Fruits & Tithing

“The first of all first fruits of every kind and every contribution of every kind, from all your contributions, shall be for the priests: you shall also give to the priest the first of your dough to cause a blessing to rest on your house.” —Ezekiel 44:30

To give a tithe means that you give a tenth of your income to your church. Tithes are given throughout the entire year. Tithes are meant to be given in an automatic sense of obedience after you receive your income--e.g., paycheck, commission, bonus.

A First fruits offering is something different.

First fruit offerings are typically an annual gift to the church done at “harvest time.” Because we are not actually harvesting crops, the harvest can mean different things to different people. You just got a bonus at work. Maybe you just received a huge tax refund check. You saved 15% or more on car insurance. These are all harvest time moments when your hard work paid off. These are also great opportunities to turn back to God in gratitude for the blessings.

Whenever you decide to make a first fruit offering, the important thing is that you do it **freely**, with no guilt or obligation. This is supposed to be a celebration of all that God has done for you. It’s a kind of worship that you can use to support the work of others. A first fruit offering is our opportunity to give beyond just a regular tithe.
