4th JOIN US FOR THE
PASTOR'S ANNIVERSARY
OF
Dr. Quientrell L. Burrell, Jr.

Sunday June 11, 10:00AM

Grace, mercy, and peace be unto you from God our Father and Jesus our Lord and Savior.

I greet you with the joy of Jesus as we enter the month of June. Many call this month the halfway point or the middle of the year. With 6 months behind us, and 6 months ahead, that puts us smack in the middle. Being in the middle is a place we have all been. In the middle of miracles, or in the middle of a mess. We have been in the middle of war, and in the middle of peace. Many of us have been in the middle of a storm, while others have been in the middle of the storm, the eye, where the calm is. Life has a way of placing us in the middle. Unfortunately, many a person incorrectly gauge their middle moments, sometimes poorly interpreting or assessing its lessons and inaccurately determining outcomes and conclusions. We make the mistake of calling the end of a thing based on the middle. That unfairly pronounces finality on what isn't finished yet, and if you don't have the correct perception, it can prove detrimental. Many people give up in the middle, not knowing that pushing a little harder will get them to the finish. Many lose hope because in the middle it looks as if they are losing. Many lose sight of the victory because they are seemingly victimized in the middle. Sometimes being sandwiched between the past and the future is just the right place to be, to consider how far you've come and reaffirm your faith to finish. There may be someone reading this today who is in the middle of something. I'm here to encourage you not to lose heart. Mustard seed faith can move mountains. Trust in the Lord with all your heart. You will make it. You have the victory through Jesus Christ our Lord!

Now, let me say how excited I am to celebrate my 4th Pastoral Anniversary at New Hope. God knew exactly what He was doing and makes no mistakes. I know this is the Lord's doing and it is marvelous in our eyes. I want to thank Pastor Houze for his obedience to God and acting in faith, trusting God's direction, and having confidence in the God in me to pass the mantle of apostolic authority and leadership to me. I am thankful for the leadership and membership of this amazing congregation. I do not take for granted the anointing God allows me to operate in, and for a congregation that is open to God's manifested presence in different ways. The freeness to be authentic is a blessing. I am grateful for the prayers, love, support, and encouragement I receive from the New Hope Nation year-round. I love where God has planted me, I love #NHN (New Hope Nation for those who don't know), not simply for what it was or even is now, but for what it will be. I have great expectations and faith that God will do everything He said and continue to release blessings and favor in our midst, so that ministry can soar to new heights to the glory of God. We can do more together than we can apart. I commit yet again to the will of God and the work of the Kingdom through ministry at New Hope. My faith will not fail, and we will finish all God has purposed us to do.

Continued: Message from Pastor

As we celebrate, I thank our preachers for the anniversary celebration, pastors Houze, Samuel, and Wherry. I also thank my pastor, Bishop Phillip Elliott and my home church, the Antioch Baptist Church of Hempstead, NY for coming to culminate this 4th anniversary celebration. Thank you to all of those who worked behind the scenes to make this time as special and wonderful as it can be. Finally, I’m thankful to God for a loving and supporting family who upholds me daily. My family and extended family help enable me to stay focused and grounded. They provide balance to my life as well as safety. From being my encouragers to my enforcers, I’m grateful for them all. I’m thankful to God for a loving mother and baby brother who are my ride or dies. My commitment to them goes without saying.

I close with Ephesians 6:10-11 “Finally, be strong in the Lord and in His mighty power. Put on the whole armor of God so that you can take your stand against the Devil’s schemes.” I love you and there’s nothing you can do about it!

In God’s Service,
