Rev. Dr. Quientrell L. Burrell, Jr., Pastor

“Bridge Builders”

Message from the Pastor

Grace, mercy and peace be unto you from God our Father and Jesus our Lord and Savior.

I excitedly greet each of you with the joy of Jesus. The month of June has arrived, and with it comes the awaited welcome of Summer. June is another month in our calendar that reminds us of the importance and inevitability of changing seasons. This month we will officially shift from spring to Summer.

There's something special about summer—an ineffable sense of nostalgia, freedom, and boundless joy that only the season of sunlight and warmth can inspire. Summer causes us to celebrate the season of growth and abundance, summer is more than just a time on the calendar—it's a symbol of life, vitality, and transformation. In nature, growth is often associated with the summer season as it is a time of warmth, sunshine, and longer days. During this time, plants and crops flourish, animals mate and reproduce. It is such an active time, and everything becomes so vibrant. This is why summer is often seen as a symbol of abundance and prosperity.

The Bible represents summer as a time of maturity, preparation and fruition where the beauty of the world is fully expressed, invokes awe and demonstrates God's abundance. Let this season envelop you, physically and spiritually. Let Summer satisfy your mind, body and soul, reigniting the flame of life, living and being fully present in the moment, enjoying them as they come or are made. This month I will also celebrate 5 years of service to God and God's people as your pastor. God knew exactly what He was doing when He ordained this blessed union before the foundation of the world.

We will celebrate with worship services during the week, a formal gala, and culminate with Sunday morning worship. I'm so excited and thankful to God He has sustained us, and pray He will continue to endow us with power to build bridges and build lives. I invite all of you to join us during the celebration.

This month we also celebrate Father's Day. We are glad there is a nationally recognized day set aside to honor our fathers. Not all fathers are biological, but still provide the love, care and protection within a family. The Bible instructs us in the book of Exodus 20:12 “Honor thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee.” This month we honor our fathers and fore-fathers and thank God for their life contributions.

In closing, I want to take this opportunity to congratulate all graduates. You have accomplished no small feat, but with preparation, perseverance and performance, you have completed the task and will move on to the next chapter. Well Done!

May God bless you all as we continue building bridges and building lives.

In Christ,

Pastor Q

Building Bridges - Building Lives

Minister Sandra Cauthen

So many times, I've observed women that are broken in so many ways. Some smile and mask their way through life; and then we have some that try other ways to make it that somehow put them in worse situations that can't be masked.

So, the question is, how do we build bridges WOMAN TO WOMAN? My mind goes back to these scriptures: Psalm 46:5. "God is within her she will not fall." and Luke 1:45 "Blessed is she who believed that the Lord would fulfill His promises to her."

First, there must be women that are spiritually aware of the brokenness in another sister to help her. Also, she must be led by God to approach her. She must also have a testimony of how God helped her to overcome similar issues. She must be open-minded to just listen and not to speak in haste about her opinions of what she would do. She must strongly without a doubt know that God is within her and that she won't fall, knowing that she is blessed because she knows that the Lord has fulfilled His promises to her.

No judgement or tearing down of someone can draw thousands of souls (WOMEN) to deliverance of wholeness and a bridge built between the two that can connect to millions. "BRIDGE BUILT"
