"Bridge Builders"

Message from the Pastor

Dr. Quientrell L. Burrell, Jr.

2024 Church Theme:
Building Bridges—
Building Lives"
Acts 17:23;
1 Corinthians 9:16-23

Grace, mercy, and peace be unto you from God our Father and Jesus our Lord and Savior. I excitedly greet each of you with the joy of Jesus.

As I reflect and remember how important the month of June was for me as a child, I am reminded of the joy I had knowing that the month of June meant school was closing for the summer and I could enjoy the summer break. With it would come travel to beaches, amusement parks and most importantly, visits to family. I am reminded from previous writings that June is month that reminds us of the importance and inevitability of changing seasons.

This month we will officially shift from spring to Summer. There's something special about summer—an ineffable sense of nostalgia, freedom, and boundless joy that only the season of sunlight and warmth can inspire. Summer causes us to celebrate the season of growth and abundance, summer is more than just a time on the calendar—it's a symbol of life, vitality, and transformation. In nature, growth is often associated with the summer season as it is a time of warmth, sunshine, and longer days. This is why summer is often seen as a symbol of abundance and prosperity.

The Bible represents summer as a time of maturity, preparation, and fruition where the beauty of the world is fully expressed, invokes awe, and demonstrates God's abundance. This month I will also celebrate 6 years of service to God and God's people as your pastor. God knew exactly what He was doing when He ordained this blessed union before the foundation of the world.

We will celebrate with worship services during the week and culminate with Sunday morning worship. I'm so excited and thankful to God, He has sustained us, and pray He will continue to endow us with power to build bridges and build lives. I invite all of you to join us during the celebration.

This month we also celebrate Father's Day. We are glad there is a nationally recognized day set aside to honor our fathers. Not all fathers are biological, but still provide the love, care and protection within a family. The Bible instructs us in the book of Exodus 20:12 "Honour thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee." This month we honor our fathers and fore-fathers and thank God for their life contributions.

We also observe "Juneteenth" Juneteenth is a national holiday commemorating the emancipation of enslaved people in Texas, marking the end of slavery in the United States. It's considered the oldest nationally celebrated commemoration of that event and is also known as Freedom Day. Thank God for the those who lived and died for our freedom. O God be the Glory.

In closing, I want to take this opportunity to congratulate all graduates. You have accomplished no small feat, but with preparation, perseverance and performance, you have completed the task and will move on to the next chapter. Well Done! May God bless you all as we continue building bridges and building lives.

In Christ,

Pastor Q

Building Bridges– Building Lives

Minister Trevinia Graham

I want to build bridges by making the world a better place. It prompts us to look to empower others to achieve greatness in their lives.

Building Bridges is about helping and successfully working with others. I am reminded that each of us in the body of Christ has different parts but an indispensable role in building bridges.

I Corinthians 12:17-19 reminds us If the whole body was one eye, where would be the sense of hearing? If the whole body was an ear, where would be the sense of smell? But as it is, God arranged the members in the body, each of them as he chose. If all were a single member, where would the body be? As it is, there are many parts, yet one body.

I want to build bridges in prison ministry with helping and talking to women about not giving up through their journey. Also, keeping them out in society. Being a bridge requires sacrifice. Jesus was the ultimate bridge example. He didn't just build bridges between people. He became the bridge himself. "I Want To Build Bridges Not Walls."

SEASONED SAINT

In the Spotlight

Ms. Eunice Alberta Allison

Honoring Eunice Alberta Allison

Born to the late Clyde and Eunice Cathey, Eunice Alberta Allison is a beloved matriarch and pillar of her community. She is a proud graduate of West Charlotte High School, in 1952.

In her remarkable 27-year career at The Methodist Home in Charlotte, she worked with unwavering dedication. Her retirement was honored with a grand celebration fit for a queen—lovingly organized by The Methodist Home in recognition of her years of service. As a housekeeper, she did far more than maintain cleanliness—she touched lives. Her quiet strength, tireless work ethic, and gentle spirit left a lasting impression on everyone she encountered.

At 89 years young, Eunice continues to be a source of wisdom and grace to all who know her.

She is the cherished mother of Schkeither Sidberry, who is married to Myron Sidberry. Eunice is a loving grandmother to Transher Curry—who is married to Jory and Tramorris Sidberry—who is married to Indya, and a doting great-grandmother to Ashton Curry and Aria Sidberry.

Her spiritual journey is deeply rooted in New Hope Missionary Baptist Church and has never wavered. She has been a cherished member since birth and was baptized at the age of 12, publicly affirming her faith and commitment to Christ, under the leadership of the late Reverend Michael McMoore, during the church's earlier days on Polk Street. Throughout the years, she served faithfully and wholeheartedly in various ministries. She was a dedicated member of the Ushers Ministry, where she now holds honorary membership, a committed voice in the Hymn Choir, and a respected leader of the Kitchen Committee—a role she held with excellence for many years. Her steadfast faith and service left a lasting legacy within the church community.

A Few of Her Accolades:

- Celebration of Life Award from Greenville Community Historical Society, Inc.
- Living Legend Award, New Hope Hymn Choir 84th Anniversary
- Certificate of Recognition, New Hope Ushers Ministry

Some of Her Favorite Things:

- Scripture: Psalm Book 1; This passage served as a foundation of faith and a source of strength throughout her life. It reflects her commitment to living righteously, walking in wisdom, and trusting in the Lord.
- Colors: Sky Blue and Yellow in representation of her mother and father

Eunice Alberta Allison's life is a testament to faith, family, and enduring love. We honor her legacy and celebrate the extraordinary life she continues to live.

Juneteenth (June 19) is an annual celebration for the end of slavery in the US. The holiday commemorates a specific date – June 19, 1865, the day federal troops arrived in Texas to ensure that all enslaved people were
