## “Bridge Builders”

### *Message from the Pastor*

Dr. Quientrell L. Burrell, Jr.

**2024 Church Theme:**  
**Building Bridges—**  
**Building Lives”**  
**Acts 17:23;**  
**I Corinthians 9:16-23**

Grace, mercy, and peace be unto you from God our Father, and Jesus our Lord and savior,

The beginning of a new season is upon us once again. Ecclesiastes 3 considers the different life seasons we experience. Verse 11a, “He has made everything beautiful in its time.” Fall is one of my favorite seasons, especially living in North Carolina. In this season Ecclesiastes 3 can be fully understood as we admire the beauty across our state’s topography. The fall colors of nature: golds, oranges, browns, reds, and darker greens that will adorn the mountainous region, not far from here, is a reminder of the incredibly divine and creative mind of God. It also shows evidence of God’s meticulous handiwork.

While God oversees, galaxies and worlds, kingdoms and nations, He also maintains the changing of leaves and ensuring a transformative and picturesque landscape we can admire. WHAT A MIGHTY GOD WE SERVE!” Amid all of the chaos in the world, wars in Israel, Ukraine, Sudan, Ethiopia and Haiti, to name a few. To inflation, food insecurity, soaring energy and food prices, supply chain disruptions and mounting debt in a world recovering from the human and economic losses of the COVID-19 pandemic and facing the ongoing threat of climate change, and even the stress of an upcoming presidential election, we must still see God. A God that is over all, in all, and watches all.

Sometimes it’s hard to see the beauty the world still possesses because of the ugliness that exists. Our challenges sometimes force us to filter everything through the lenses of negativity. Take time to step away from the chaos, breathe in the cool fall breeze, and begin to thank God for His bountiful blessings. Be grateful you are alive to see another season arrive, and with it the reminder that the years end swiftly approaches. Take time to listen to the Lord and seek His guidance as you navigate through the end of the quarter, and you prepare for a new year. Take time to step away and build yourself up in faith and trust and hope. How can you be a bridge and life builder, you are not being built yourself? Pray that this season. Which brings metamorphosis to the leaves, will also bring about a metamorphosis in you.

Pray for a change that will be visible from the inside out. A change that will foster a new season in your life, full of vibrance and victory.

Be quick to thank God for all the beauty He has made for us to enjoy and share that with others, in Jesus’ Name.

Because of Christ,

Pastor Q

*Pastor Burrell, The New Hope Nation thanks you for your leadership, your faithfulness, your unselfish love, and we celebrate you. We pray that God will continue to bless you abundantly.*

## Building Bridges—Building Lives

Building Bridges to Improve Relationships

Rev. Charles Cook

The Theme our Pastor set for this year brings to mind the scripture in (Philippians 2:5, KJV), where Paul encourages the Philippians to rejoice even in difficult times. Paul ask the Philippians to show maturity by considering others more important than themselves and not acting out of selfishness or pride. It means as a Church (New Hope Nation) we must have the same mental and spiritual attitude. Paul reminds us in (Philippians

2:5, KJV), the example of Jesus as one willing to be humble and obedient to God the Father (Philippians 2: 2-4, KJV).

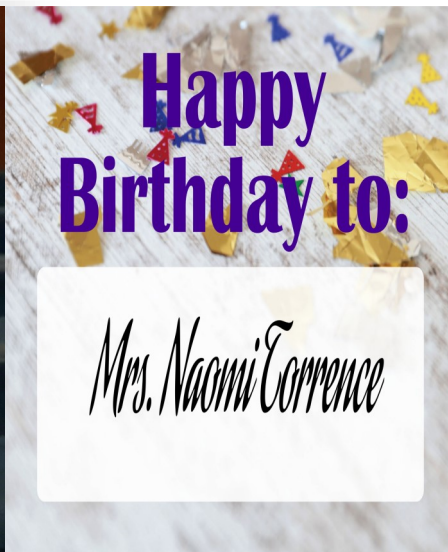

Paul further tells us to work out our own salvation with fear and trembling, because is working in us both to will and to act according to His good pleasure (Philippians 2:13, AMP/NLT). The more we grasp what God has done for us, the more we will be moved to have this humble attitude. To stand in awe of his wondrous, the miracles He has wrought in us, to have great respect for what He is able to do (Ephesians 3:20, KJV). "There is no secret what God can do, what He has done for others He will do the same for you."

Every opportunity and situation God allows me to experience, I try to do my best to please Him and do what his will requires me to do according to his word and do it whole heartedly Let us as a Whole, give God our very best in everything to Build Bridges and Build Lives in need of others rather it be physical or spiritual (Matthew 9:37-38, KJV).

It has been prophesied that God will present to us an [ Open Door ] (Revelations 3:8, MSG), We have found great Favor with God as a [ Church ] (Exodus 33:14, MSG), and great Elevation to come through the leadership of our Pastor as he follows Christ and the world take notice (Habakkuk 2:2, NLT), (Deuteronomy 28:12-13, AMP). Let's get ready New Hope Nation!

Love you all,

*Rev. C F Cook*

Mrs. Naomi Torrence celebrating her **95th** birthday on October 27th.  
May God continue to bless and keep you.
