The Year Of Winning Strategies

3. Commit your works to the LORD, And your thoughts will be established.

Message from the Pastor

Grace, mercy and peace be unto you from God our Father and Jesus our Lord and Savior.

As we draw near to the end of the Lenten season, we are spiritually anticipating the highest and holiest week of the Christian calendar. We begin today with the celebration of the triumphal entry of Jesus into Jerusalem, known to us as Palm Sunday. We will be led through a week of great spiritual intensity and emotion as we reflect and remember the last supper of Jesus and the disciples, Jesus praying in the garden, Jesus betrayed by Judas and the agony of the crucifixion. But thanks be to God, Jesus didn't stay dead. Early on the third day morning, Jesus rose from the grave with all power in His hands. Resurrection is the reminder for the people of God, of His promise to us. Jesus is the risen Savior, and He lives forever more.

As spring has emerged, and trees and flowers are blooming, I am reminded of my grandmother's gardening lesson to me on the difference between annual flowers and perennials. Annual flowers are planted and live one season and then die, but perennials are planted and will come back every year. It's almost as if they never die. John 12:24 tells us that unless a kernel of wheat falls to the ground and dies, it only remains a single seed. But if it dies, it produces many seeds. Jesus died but lives again and we are the harvest produced by that seed dying. Now we must live in the fullness and the freedom whereby Christ has made us free, as a result of the sacrifice He made for us. Now we can walk in the newness of life, and look forward to life eternal with Him, the resurrection of the dead and the rapture take place.

The days are getting longer, the weather is getting warming and with it comes the reminder that seasons change. That the cold of winter, that the dark nights and dark days must yield to the sunshine and warmth of a new season. Weeping endures for a night, but joy cometh in the morning. The atmosphere is lining up with what Heaven will cause to spring up for our good. Thank God for spring! We celebrate all our congregants who celebrate birthdays or anniversaries this month and pray God's richest blessings upon you. In closing, I pen words from a song written by Bill and Gloria Gaither titled, "Because He Lives."

God sent His Son; they called Him Jesus. He came to love, heal and forgive. He bled and died to buy my pardon. An empty grave is there to prove my savior lives.

Because He lives, I can face tomorrow. Because He lives, all fear is gone. Because I know who holds the future, and life is worth the living just because He lives.

Yours because of Christ,

Dr. Quientrell L. Burrell, Jr.

Sister Mattie Grigg and Johnson Family in the loss of her daughter-in-law, Mrs Jacqueline Grigg,

Betty Dean Baker was recently honored at the Greatness Under the Rock Luncheon. The Greatness Under the Rock are beautiful Queens who are still serving their communities. So many of these women engage in business, nonprofit, for-profit, and grassroots organizations, and their cups are not yet overflowing. These unsung heroes and Queens of the City will continue to serve their respective communities. Betty was honored to receive the recognition along with other women that are "Queens Forever."

Schkeither A. Sidberry

Schkeither Sidberry has reached that milestone in life that most anticipate with great joy and accomplishment. Schkeither was a dedicated employee at Wells Fargo for 32 years and she started out, May 4, 1990 when Wells Fargo was known as Frist Union. It later changed its name to Wells Fargo, where she remained a faithful employee through December 31, 2022. Schkeither successfully negated mergers and acquisitions over the course of 15 years while working for Wells Fargo. Many years ago, she remembers the conversation she had with her parents: that once she graduated from college, she'd work in one of those tall buildings downtown, and that's just what she did. As she looks back over those years, hindsight is 20/20. It was nothing but God, that allowed her to excel in those positions during the times while both her children finished high school and college. Now that she has retired, she has the luxury of spending more time with her mother and her first grandchild. As she sits back and relaxes, she can't wait to see what God has in store for her next.

On Saturday, April 8th New Hope's Youth Ministry will be hosting an Easter Egg Hunt from 12 pm - 2:00 pm. There will be games and prizes, so bring your "WINNING" strategy! We will have bags for egg collection, but feel free to bring any bags/baskets you may have. Also, pizza, drinks, and goodie bags will available! We welcome everyone, so bring your family and friends for a day full of food, family, fun, and fellowship. We look for-
